**Re: To The Trade Flooring**

Townsend Building Solutions, Inc. is a general contractor specializing in restaurant remodels and repairs. Recently, we were tasked with renovating a restaurant with the tightest time lines we had ever experienced. Thankfully, we found To The Trade Flooring. One phone call to them and our product was ready when we wanted it, which was almost always immediately.

David always delivered for us and I will always be a faithful, return customer of To The Trade Flooring. The bonus is that their pricing was absolutely competitive with what I had been paying. However, I probably would have paid more just because of the excellent service I received from them. It's difficult to find a supplier who you 100% know you can count on, but if you are looking for a supplier like that, I would highly recommend To The Trade Flooring.

If you have any questions or need additional information, please do not hesitate to contact me at (813) 447-3402 or via email at [SusanThebeau@yahoo.com](mailto:SusanThebeau@yahoo.com).

Thank You.
